- Perfect for those living in apartments, condos, rented homes, or for travel.
- Naturally softens water.
- Restores water's natural pH balance.
- Eliminates or reduces toxins and bacteria.

Shower of Life Vortex Water Revitalizer

Install in your shower between the outlet and your existing showerhead. Your hair will be softer, shinier and rejuvenated. Your skin will be softer, with less dryness and irritation. All these results and more will be delivered using less soap, shampoo, conditioner and lotion.

Kitchen Vortex Water Revitalizer

Attaches directly to your kitchen tap to deliver Revitalized Water instantly. Experience significant improvements in the taste and feel of your water. Your body instantly absorbs Revitalized Water, leading to better hydration. Cleaning dishes with Revitalized Water will deliver better results using less soap and detergent. For pullout kitchen faucets, the Pullout Faucet Adapter is available.

Anyone living in urban areas MUST get one of these Vortex Water Revitalizers for your living space. It was a no-brainer for me.
